Vacant Land Insurance

Welcome to ASR Underwriting Agencies, a well established and experienced Lloyd's Coverholder.

Vacant Land Cover was recently developed at ASR to fill a market segment which has been difficult to place locally. Not many underwriters are prepared to take on such a risk, and those who are prepared generally put imposing conditions in place that can make the cover far less effective than you or your client need.

Underwritten by Certain Underwriters at Lloyd's this product is a competitive and reliable alternative for your clients. Whatever their intentions the team at ASR are here to assist you in placing suitable coverage for your client.
